

NOTICE

DEPARTMENT OF ECONOMICS RAGHUNATHPUR COLLEGE

DATE 18.08.2020

It is found from the records of the online classes that only few students of the 3rd and 5th Semesters are attending classes regularly. All are asked to attend the classes without fail. If any student has any problem in doing so he must contact with the departmental teachers. Honourable teachers are always ready to come forward for their solution. Attendance in classes and programmes in the department are of course major determining factors for marks in the Internal Assessment.
