1. It has been resolved at the meeting of IQAC dated 24.05.2023 that every department of the college will conduct an add-on course the proposal for which along with course structure, tentative date of commencement, duration, requirements of funds (to be generated from registration fees collected from students and grants from college) has to be submitted by 22/06/2023

2. The courses must consist of at least thirty hours of course work but should not exceed three month's duration.

3. Funds will be allocated at a subsequent meeting after the submission the proposals.

4. The add-on courses have been tentatively proposed by all the departments.
