ABOUT THE COLLEGE

Raghunathpur College established in the year 1961 is the second renowned college in the district and the largest in student's strength. The college has its full potentialities for providing excellent education to the aspirants with every amenities upto it's level. The college offers twenty undergraduate courses across various disciplines. Raghunathpur College boasts a dedicated team of faculty members committed to fostering a dynamic learning environment. The faculty comprises a blend of 39 full-time faculty members and 40 State Aided College Teacher (SACT), ensuring a diverse pool of expertise to cater to the educational needs of students.

The college attracts students from a wide range of cultural backgrounds and provides a dynamic learning and teaching environment. College have often advocated for innovative ways for academic staff and students to collaborate in research, and to expand horizons of knowledge beyond their subject or profession.

Our college has actively been involved in several collaborative researches with very reputed institute like IIT, IISER, IACS and few international universities. Recently college has received two SERB funded research grants of around 37,00,000/- via research collaboration with IIT Kharagpur. Raghunathpur College takes pride in its strong academic performance, reflected in the consistent success of its undergraduate students. The college maintains a tradition of achieving commendable results in university examinations, with students excelling across various disciplines. The rigorous academic curriculum, coupled with personalized guidance from experienced faculty members, contributes to the overall academic excellence of students, empowering them to pursue their career aspirations and contribute meaningfully to society.

ABOUT THE WORKSHOP

The workshop on "Research and Publication Ethics" serves as a crucial platform for academic professionals, researchers, and aspiring scholars to delve into the ethical dimensions of conducting research and disseminating findings through publications. With an emphasis on integrity, transparency, and responsible conduct, the workshop aims to foster a culture of ethical research practices and uphold academic integrity within the scholarly community.

Key Objectives:

1. **Understanding Ethical Guidelines:** Provide a thorough understanding of ethical principles and guidelines governing research and publication ethics.
2. **Navigating Ethical Dilemmas:** Help participants identify and address common ethical dilemmas in research and publication processes.
3. **Promoting Responsible Authorship:** Emphasize proper authorship attribution, citation practices, and avoidance of unethical behaviors like ghostwriting.
4. **Ethics in Peer Review:** Highlight the ethical responsibilities of peer reviewers and editors to ensure fair and constructive peer review processes.

Target Audience:

The workshop is designed for researchers, academics, graduate students, journal editors, research administrators, and anyone involved in scholarly activities seeking to enhance their understanding of research ethics and publication practices.

Outcomes:

By the end of the workshop, participants are expected to:

- Gain a deeper understanding of ethical principles and guidelines relevant to research and publication ethics.
- Enhance awareness of ethical responsibilities as researchers, authors, reviewers, and editors.
