

Report of the State Level Seminar on The New Credit and Curriculum for Undergraduate Course: NEP 2020

In the Seminar, Dr. Phalguni Mukherjee, Principal of the college introduces the seminar topic in his keynote address after inauguration. Dr. Subal Chandra De, Controller of Examination, offers a detail discussion regarding validity along with timely adoption of the course and curriculum in the new regime of NEP. He will extend duely assistance in execution of the course and curriculum. In his discourse he emphasized the maintenance and keeping update of course will be the responsibility of the Principal. Again he is of the opine that effectiveness of the NEP depends upon degree of autonomy of the institution. Ordinarily will not come into use in this regard, the teacher has to perform exceptionally and without prejudice to the generality of the foregoing duties. The IQAC coordinator, Dr. Jyoti Prakash expresses his views that the NEP curriculum has a vision and strategy. He thanks Dr. Sadhana Khawas, president of the Governing Body for creating effective learning environment for the college which suits to install the NEP in the college. Eminent personalities Mr. Soumen Belthoria focuses on the ethos of college specific. The seminar organised by IQAC Raghunathpur College along with WBCUPA came out with success, which is reflected in the participants remark.
