Do a qualifier round for the teachers to prove them as real teachers

Improve library

Our Teacher's are very good and very Hardwork for us.

Digital learning;  
Practical class;

Practical class should take by our teachers... And here also has lab problem...

- 1) Should be taught with digital devices(Laptop, Projector, Digital Board).
- 2) Recruitment for college students should come from companies.
- 3) Water supply and bathroom facilities should be improved.

1. Number of Classes of the teachers increase
2. Institute provide free wi-fi connection
3. Time table of Classes are increased

There should be some workshops ,  
Students should be provided with practical classes too

Teacher of our department is very kind and they always help us to improve our skills but we have not any separate computer lab for BCA students...and our lab project experience are very poor.

1. Students should be provided with ICT tools so that it increases their interest towards learning .
2. Institute should focus more on inculcating soft skills,life skills, and employability skills to make students ready for the world of work.(point no. 18)
- 3.The absence of recruitment activities within our college

Thank You

- 1.No lab opportunities.
- 2.There are no practical classes.
- 3.There is no opportunity to do classes on the projector.

We need practical classes

Thank you sir 😊

Very good 👍

More books bca in library, use projector.

- 1)The teachers should explain and teach the topics in English instead of Bengali. And they should also start communicating in English in the class.
- 2) Afterall it is an computer based subject dominie should use projector and systems for teaching and explaining.
